

LIMITED WARRANTY FOR PV MODULES

1. Limited Product Warranty

Solar Leading Ltd. warrants its photovoltaic modules (MODULES), including factory-assembled DC connectors and cables, if any, to be free from defects in materials and workmanship under normal application, installation, use and service conditions. If MODULES fail to conform to this warranty, during the period ending 144 months from date of sale as shown in the invoice addressed to the direct customer of Solar Leading Ltd. (CUSTOMER), Solar Leading Ltd. will, at its option, either repair or replace the products or refund the purchase price as paid by the CUSTOMER. The replacement or refund remedy shall be the sole and exclusive remedy provided under the limited product warranty and shall not extend beyond the one hundred months period set forth herein. This Limited product Warranty does not warrant a specific power output, which shall be exclusively covered under clause 2 hereinafter (Limited Peak Power Warranty).

2. Limited Peak Power Warranty

25 Year Guarantee

For MODULES above 150W, if within twenty-five (25) years from date of sale to the CUSTOMER any MODULE exhibits a Nominal Power Output of less than 80% of the Minimum Peak Power at SMC as specified at the date of invoice to the CUSTOMER, provided that such loss in power is determined by Solar Leading Ltd. to be due to defects in materials or workmanship, Solar Leading Ltd. will replace such loss in power by either providing additional MODULES to the CUSTOMER to make up for such loss in power, or by replacing the defective MODULES at the option of Solar Leading Ltd. The remedies set forth in clause 2 shall be the sole and exclusive remedies provided under the Limited Peak Power Warranty.

12 Year Guarantee

For MODULES, above 150W, if within twelve (12) years from date of sale to the CUSTOMER any exhibits a Nominal Power Output of less than 90% of the Minimum Peak Power at SMC as specified at the date of invoice to the CUSTOMER, provided that such loss in power is determined by Solar Leading Ltd. to be due to defects in materials or workmanship, Solar Leading Ltd. will replace such loss in power by either providing additional MODULES to the CUSTOMER to make up for such loss in power, or by replacing the defective MODULES at the option of Solar Leading Ltd. The remedies set forth in clause 2 shall be the sole and exclusive remedies provided under the Limited Peak Power Warranty.

3. Exclusions and Limitations

- (1) In any event, all warranty claims must be filed within the applicable warranty period.
- (2) The Limited Product Warranties and the Limited Peak Power Warranties do not apply to any MODULES which have been subjected to:
 - Misuse, abuse, neglect or accident;
 - Alteration, improper installation or application;
 - Non-observance of Solar Leading Ltd.'s installation and maintenance instructions;
 - Repair or modifications by someone other than an approved service technician of Solar Leading Ltd.;
 - Power failure, surges, lightning, flood, fire, accidental breakage or other events outside Solar Leading Ltd.'s control.
- (3) Neither the Limited Product Warranty nor the Limited Peak Power Warranty cover any transportation charges, customs clearance or any other costs for return of the MODULES, or for reshipment of any repaired or replaced MODULES, or cost associated with installation, removal or reinstallation.
- (4) Warranty claims will not be honoured if the type or serial number of the MODULE have been altered, removed or made illegible.

4. Limitation of Warranty Scope

The Limited Product Warranties for PV modules as set forth herein are expressly in lieu of and exclude all other express or implied warranties, including but not limited to warranties of merchantability and of fitness for particular purpose, use, or application, and all other obligations or liabilities on the part of Solar Leading Ltd., unless such other obligations or liabilities are expressly agreed to in writing and signed and approved by Solar Leading Ltd. Solar Leading Ltd. shall have no responsibility or liability whatsoever for damage or injury to persons or property, or for other loss or injury resulting from any cause whatsoever arising from or related to the MODULE, including, without limitation, any defects in the MODULE, or from use or installation. Under no circumstances shall Solar Leading Ltd. be liable for incidental, consequential or special damages, howsoever caused. Loss of use, loss of profits, loss of production and loss of revenue is specifically and without limitation excluded.

Solar Leading Ltd. aggregate liability, in damages or otherwise, shall not exceed the invoice value as paid by the CUSTOMER, for the unit of product or service furnished or to be furnished, as the case may be, which is the subject of claim or dispute.

5. Warranty Claims

If the CUSTOMER feels a justified claim covered by these Limited Warranties for PV Modules, he or she should immediately notify the dealer, who sold the modules, or any authorized Solar Leading Ltd. distributor, of the claim in writing. The CUSTOMER should enclose the evidence of the claim with the corresponding serial number of the MODULES and the invoice with which they were purchased. If applicable, CUSTOMER's dealer or distributor will give advice on handling the claim. If further assistance is required, CUSTOMER is invited to write to Solar Leading Ltd. for instructions. The return of any MODULES will not be accepted unless prior written authorization has been given by Solar Leading Ltd.

6. Various

The repair or replacement of MODULES or the supply of additional MODULES does not cause the beginning of new warranty terms, nor shall the original terms of this Limited Warranty for PV Modules be extended. Any replaced MODULES shall become the property of Solar Leading Ltd. Solar Leading Ltd. has the right to deliver another type (different in size, colour, shape, and/or power output) in case Solar Leading Ltd. has discontinued producing the replaced MODULES at the time of the claim..

7. Force Majeure

Solar Leading Ltd. shall not be in anyway responsible or liable to the customer or any third-party arising from any non-performance or delay in performance of any terms and conditions of sale, including this "Limited Warranty for PV Modules", due to acts of god, war, riots, strikes, fire, flood or any other similar cause or circumstance beyond the control of Solar Leading Ltd.

Note

Peak power at SMC is the power in Watt Peak that a MODULE generates at its Maximum Power Point.

Standard Measurement Conditions (SMC):

- a) Light spectrum of AM1.5
- b) Irradiation of 1000W per square meter
- c) Cell temperature of 25 degrees centigrade

Measurements are carried out in accordance with IEC61215 as tested at the junction terminals per calibration and testing standards of Solar Leading Ltd. valid at the date of manufacture of the MODULES.
